## Bio

### Main areas of expertise

Full-stack web development with greater proficiency in Angular and NestJS.

### Main tech stack

- JavaScript: >4 years of professional experience
- Angular: >3 years of professional experience
- NestJS: >4 years of professional experience

### ### Jobs of interest

I'm interested in any roles (from internship to junior developer roles) so I can get very familiar and competent in remote work.

## Experience

Director of Operation

02/2021 - now

Lexington Technologies (Kaduna, Nigeria)

1 year and 9 months

I run and supervise operations efforts at the organization and I also offer training in frontend web development using Angular for our interns.

Web Developer

11/2018 - 01/2021

Livebox systems LTD (Kaduna, Nigeria)

2 years and 2 months

I was part of the team developing livebox system's local library server, deploying across schools in Nigeria, and training staff on how to use the system.

## Education

ISFOP, Benin Republic

11/2014 - 01/2018

BSc, Computer Science

3 years and 2 months

A Bachelor of Science degree from Institut Superiur de Formation Professionelle in Republique du Benin.
